

LEARNING SERVICES

ELEMENTARY DISTRICT CONTACTS

How we can help!

- Collaborate with school-based staff and teams supporting diverse learners which may include observation of student/class activity and program planning
- Assist teachers and support staff with the development and implementation of IEPs, behaviour support plans, Employee Safety Plans and with District Behaviour Team EA placement
- Assist staff in maximizing resources/supports within their schools (scheduling, resources, technology...)
- Assist teachers and support staff with classroom reviews
- Assist teachers with meeting documentation and file organization requirements
- Assist schools in transitioning students to kindergarten and Grade 8
- Assist teachers in acquiring information about student specific needs to further assist with planning and instruction
- Provide and connect school staff to professional development and in-service opportunities
- Network and collaborate with other helping teachers and professional itinerant staff to support teaching and student learning
- Act as liaison to link teachers with Ministry, Provincial and community based agencies.
- Support teachers with uploading IEPs on MyEdBC
- Support enhancement of school-based capacity through mentorship, training and resources
