

# Introduction to Boxed Letters

Trace and copy letters, numbers and sight words  
inside sized boxes.

Includes letter formation starting point.

# Terms of use

This product is intended for use as a single license: for use by a single teacher, therapist or parent with their own students. Please do not share this product with other professionals or parents rather refer them to purchase their own copy.

Therapists have permission to share these worksheets electronically with parents or e-helpers assisting their students when using in the context of tele-therapy sessions.

# Instructions

Trace and copy inside the box.

The starting point dot is color coded:

Blue = tall letter

Red = small letter

Yellow = low letter

The end of the packet includes some sight words boxed letters.

This is a great introduction to letter size and boxed letters. Follow up with:
